If there is no gas in the property (electric heating and hot water) the Electric Allowance Kwh is doubled.

The chart details the maximum usage allowance of gas, water, and electricity for a 50-week tenancy in accordance with the number of tenants for the property (should the tenancy term vary from 50 weeks, the allowance will be apportioned accordingly to cover the term of the tenancy). Should these figures be exceeded the Landlord reserves the right to levy a charge to cover the cost for the additional usage. It is the Tenants responsibility to monitor their own usage.

Conveniently located within walking distance of the University, in the popular West End! The property comprises of five double rooms, a modern fully fitted kitchen with spacious lounge, and two shower rooms. Up to 2 parking permits available through City of Lincoln Council permit scheme for a fee. Gas central heating.

Price displayed is as per person per week

The rent as advertised per week is the rent due per person for a student studying a full-time course with at least 21 hours of study in term time per week attending 24 weeks per annum.

The total rent due for the property will increase by £28.09 per week for any non-students (rental shares can be apportioned per tenant, meaning one or more tenants can contribute to this).

The deposit payable on the first day of your tenancy is just **£200.00** per person along with the first four weeks rent, after this the rent can be paid in instalments that coincide with your student loan.

The property comes furnished and includes utilities and associated building running costs. Utilities are subject to a fair usage policy as detailed in the attached brochure and the Tenancy Agreement.
